Dave's Garden

Dill

Anethum graveolens

harvested in:

An aromatic herb that puts the dill in Dill Pickles. The plant and flowers are a larval source for Eastern Black Swallowtail butterflies. Annuals. Herbs.
Zone 3-11. Height 24-36". G7-10 days.

BLOOMS from Mid Summer to Early Fall.

SOW directly in garden in sandy soil in full sun, after danger of frost. Sow seeds thinly and cover with 1/4" of fine soil. Firm lightly and keep evenly moist. Seedlings emerge in 7-10 days depending on soil and weather conditions.

GARDEN HINTS:
Make successive sowings in two the three week intervals for a regular supply of plants to be available all summer long for migrating Eastern Black Swallowtail Butterflies.
