1

Bushy plants who's flower opens up in mid-afternoon and remains open until early morning. Flower colors include: white, red, pink, yellow, and bi-colors. Annuals. Perennials. Zone 7-11. Height 36-48".

BLOOMS from Mid Summer to Early Fall.

SOW directly in garden in sandy soil in full sun, from fall to early spring. Sow seeds thinly and cover with 1/8" of fine soil. Firm lightly and keep evenly moist. Seedlings emerge in 7-21 days depending on soil and weather conditions.

GARDEN HINTS:

To get a head start, sow seeds indoors about 6 weeks before outdoor planting time. Transplant after danger of frost.
